

About Training and Placement

At Dr. Rajendra Gode College of Pharmacy, Malkapur, we believe in shaping not just graduates, but highly competent and industry-ready pharmaceutical professionals. Our dedicated Training and Placement (T&P) Cell serves as the crucial bridge between our bright students and the dynamic world of the pharmaceutical industry. Located in Malkapur, Maharashtra, we are committed to providing our students with the best possible opportunities for career growth and success.

A Holistic Approach to Employability:

The T&P Cell at Dr. Rajendra Gode College of Pharmacy adopts a comprehensive approach to enhance student employability, focusing on both technical expertise and essential soft skills. Our activities are designed to ensure students are well-prepared for the competitive job market:

- **Industry-Aligned Training Programs:** We regularly organize workshops, seminars, and guest lectures by eminent experts from leading pharmaceutical companies. These sessions provide invaluable insights into current industry trends, technological advancements, and real-world challenges, ensuring our curriculum remains relevant and practical.
- **Skill Enhancement & Personality Development:** Beyond academic knowledge, we emphasize the development of crucial soft skills. Our programs include:
 - **Communication Skills:** Training in effective verbal and written communication, presentation skills, and professional etiquette.
 - **Interview Preparation:** Mock interviews, group discussions, and one-on-one counseling to build confidence and refine interview techniques.
 - **Resume Building:** Guidance on crafting compelling resumes and cover letters that highlight individual strengths and aspirations.
 - **Aptitude Test Preparation:** Coaching for various aptitude and technical tests commonly used in recruitment processes.
- **Industrial Visits & Internships:** We facilitate industrial visits to prominent pharmaceutical manufacturing units, research and development centers, and healthcare facilities. These visits provide students with practical exposure to industry operations and help them understand the application of their theoretical knowledge. We also encourage and support students in securing internships, offering hands-on experience and networking opportunities.
- **Robust Placement Drives:** Our T&P Cell maintains strong collaborations with a wide network of leading pharmaceutical companies across India. We actively invite companies for on-campus and off-campus recruitment drives, creating a platform for our students to interact with potential employers. Our students have consistently secured placements in esteemed organizations such as:
 - Cipla Limited
 - Lupin
 - Zydus Cadila Ltd.
 - Sun Pharmaceuticals
 - Alembic Pharmaceuticals
 - Glenmark Pharmaceuticals Ltd.
 - Torrent Pharmaceuticals
 - Hetero Drugs

- Mylan
- Apollo Pharmacy
- and many more...

Beyond Placements – Fostering Future Leaders:

While placements are a key focus, our T&P Cell also provides guidance and support for students aspiring for higher studies (e.g., M.Pharm, PhD in India and abroad) and those with entrepreneurial ambitions. We offer resources and mentorship to help them achieve their diverse career goals.

A Testament to Our Success:

The consistent and impressive placement record of Dr. Rajendra Gode College of Pharmacy is a testament to the quality of our education, the dedication of our faculty, and the relentless efforts of our Training and Placement Cell. We are proud of our alumni who are making significant contributions to the pharmaceutical and healthcare sectors, embodying the values and knowledge imparted at our institution.
