About DRGCOPM

The future of the world lies in the advancement of technology in every sphere. In order to fulfill desire to participate in the development of the nation, INDIRA BAHUUDDESHIYA SHIKSHAN SANSTHA, BULDHANA (IBSSB) was formed in the year 1986 with specific aims and objectives. then, a number of institutions have come up under its auspices in the urban and rural areas of Buldhana district of Maharashtra state. Apart from the conventional courses, the society has also started a number of Professional, Vocational, needs based and job-oriented courses. The society thus is not only adding to the existing fund of knowledge but also meeting the special needs of younger generation of today. Realizing the importance of Pharmacy education, IBSSB started the pharmacy college at Malkapur, in Buldhana district, in year 2005-2006 and is currently offering D. Pharm, B. Pharm, M. Pharm. and PhD courses there under.

The Institutes are duly approved by Pharmacy council India New Delhi and affiliated to Sant Gadge Baba Amravati University, Amravati.

Dr. Rajendra Gode College of Pharmacy was found at a time when severe need was felt to have a quality Pharmacy Education and improvement in the Health Care System in the State. Dr. Rajendra Gode College of Pharmacy campus is developed in the area 3 acres with building structure of 5537Sq.M. at Malkapur to facilitate academic and extracurricular activities. Since from beginning, the Dr. Rajendra Gode College of Pharmacy continuously enriched with several notable developments like provision for additional space for Library, establishment of Animal House for experimental skill in the Physiology and Pharmacology, Computer Facilities to touch the new frontiers of communication. These can be enlisted as few amongst so many.

With an objective to be in tune with changing time, several innovative changes have been put in by the institution. Modern infrastructural facilities have been provided to regard the organization as "RESEARCH INSTITUTE" in future to touch new horizons of success and to bring laurels to the institution. This encouragement has resulted in an increase in number of candidates registered in Pharmacy each year.

The institution since its inception in 2005-2006 has grown rapidly and consistently marching towards better and brighter future. A milestone on Dr. Rajendra Gode College of Pharmacy's path is moving towards becoming a totally integrated institute in the field of Pharmacy by the student who have made institute to the top of the world. We work for the cause-

"GATEWAY TO GLOBAL KNOWLEDGE"

VISION	MISSION
To excel in the field of pharmaceutical education by inculcating moral values and developing high quality pharma professionals.	To adopt high-quality technical education and training methodologies to foster the spirit of research, innovation, entrepreneurship and contribute to the profession and society

Summary of Event	The 351st Shivrajyabhishek Day of the legendary Maratha king Chhatrapati Shivaji Maharaj was celebrated with great fervor and patriotic spirit at Dr. Rajendra Gode College of Pharmacy, Malkapur on June 6, 2025. The event was jointly organized by the National Service Scheme (NSS) Unit and the Cultural Committee of the college. The program commenced with a respectful portrait worship (Shivaji Maharaj Pujan) followed by the traditional lamp-lighting ceremony, symbolizing the victory of knowledge and righteousness. The atmosphere was charged with reverence and enthusiasm, as the students and faculty paid homage to the great warrior king who laid the foundation of Swarajya. The program was meticulously coordinated under the guidance of Dr. Pavan Chinchole and Prof. A. G. Titare, who played a key role in ensuring the success of the event. The event was anchored confidently by student Mr. Pratmesh Aaglave, who maintained the momentum of the program with great enthusiasm and clarity. The celebration saw active participation from faculty members, non-teaching staff, and a large number of students, who all came together to honor the legacy of Shivaji Maharaj. The event was further graced by the warm wishes and support of the Hon'ble President of the Institute, Shri Yogendraji Gode, and the Hon'ble Secretary, Smt. Tanvitai Gode, who extended their heartfelt greetings to everyone involved in the event. The celebration concluded with powerful and spirited chants of "Jai Shivray!", echoing the pride and patriotism in every heart present. The day not only commemorated a historic coronation but also reignited the sense of duty, courage, and service among the youth.

Summary of Event	Dr. Rajendra Gode College of Pharmacy, Malkapur in Association with NSS Unit Embraces Holistic Wellness on 11th International Yoga Day Malkapur, Maharashtra – June 21, 2025 – Dr. Rajendra Gode College of Pharmacy, Malkapur Yoga and Meditation Club in Collaboration with NSS Unit today marked the 11th International Yoga Day with an enthusiastic and well-attended celebration, embracing a modern hybrid approach that combined an engaging offline gathering with seamless online participation. The event underscored the college's commitment to promoting holistic health and well-being among its students, faculty, and the wider community. The day commenced with a vibrant morning session held on the college campus, where students and staff actively participated in various yoga asanas, pranayama, and meditation guided by Prof. Ritesh R Popat Art of Living faculty. The serene atmosphere of the college grounds provided an ideal setting for participants to connect with their inner selves and experience the profound benefits of yoga. Adding a contemporary touch, the event was simultaneously live-streamed, allowing individuals from their homes and other locations to join the celebration virtually. This hybrid model ensured wider accessibility, enabling many more to participate and reap the benefits of the yoga session, regardless of their physical location. Online participants actively engaged by following the live instructions and sharing their experiences in real-time by Prof. Mangesh Deokar Art of Living Yoga Teacher. Speaking at the event, Dr. Prashant Deshmukh Principal Dr. Rajendra Gode College of Pharmacy, emphasized the growing importance of yoga in today's fast-paced world. "Yoga is not just a physical exercise; it is a way of life that integrates the body, mind, and soul, Our hybrid approach reflects our commitment to inclusivity and reaching a broader audience." Dr Vaibhav Adhao Academic Dean Dr. Rajendra Gode College of Pharmacy, Malkapur stated "On this 11th International Yoga Day, we are proud to foster a culture of wellness and encourage everyone to incorporate these ancient practices into their daily routines for a healthier and happier life. Faculty members Prof. Ananta Titare, Prof. Aniket Jangle, Prof. Ashish Rath, Prof. S. N. Patil, Mr Satish Ghanokar, student and NSS volunteers played a crucial role in organizing and ensuring the smooth conduct of both the offline and online components of the event. "The college's initiative to host such an inclusive event on International Yoga Day was widely appreciated by Dr. Raju Thenge PG incharge Dr. Rajendra Gode College of Pharmacy, Malkapur." Prof. Mukesh Babhulkar, Prof. Rahul Darakhe, Prof. Shital Gandhi, Mr. kinge, Mr. Ganesh Jangle, Mr. Harshal Patil participated enthusiastically in Yoga Day. The celebration at Dr. Rajendra Gode College of Pharmacy served as a powerful reminder of yoga's universal appeal and its ability to foster physical and mental resilience, reaffirming its status as a vital practice for overall well-being.

Summary of Event	On June 28, 2025, the Faculty Knowledge Exchange Club of the institute successfully organized an expert talk and live demonstration session as part of its ongoing efforts to foster academic enrichment and interdisciplinary learning among faculty members. The session was led by Prof. M. W. Narkhede, a distinguished academician and specialist in the emerging fields of artificial intelligence (AI) and machine learning (ML). Prof. M. W. Narkhede delivered a comprehensive and insightful presentation covering the foundational concepts, recent breakthroughs, and multifaceted applications of AI and ML across various sectors, including education, healthcare, automation, and data analytics. His ability to demystify complex algorithms and explain them in a simplified and relatable manner was highly appreciated by the audience. One of the highlights of the event was the live demonstration segment, wherein Prof. M. W. Narkhede showcased real-time simulations and working models that illustrated the practical deployment of machine learning techniques. This hands-on component greatly enhanced the participants' conceptual clarity and offered a glimpse into the possibilities of integrating AI tools into teaching, research, and institutional operations. The session witnessed full attendance from all teaching staff, who participated with enthusiasm and curiosity. Interactive discussions, question-answer rounds, and knowledge-sharing moments further enriched the experience, making the session not just informative but also intellectually stimulating. Overall, the expert talk proved to be a valuable platform for professional development, equipping the faculty with updated technological insights and encouraging them to explore the integration of AI and ML into their respective disciplines and research endeavors. The Faculty Knowledge Exchange Club continues to serve as a catalyst for such meaningful academic interactions that support continuous learning and innovation in higher education.

Summary of Event	On 16th July 2025, a tree plantation program titled "<i>Ek Ped Maa Ke Naam</i>" was successfully organized at Dr. Rajendra Gode College of Pharmacy, Malkapur under the joint initiative of the National Service Scheme (NSS) Unit and the Medicinal Plant Garden Committee. The objective of this program was to promote environmental protection, Medicinal Plant Awareness, and instill a sense of eco-consciousness among students and staff. The event witnessed the esteemed presence of Principal Dr. P. K. Deshmukh, Academic Dean Dr. V. S. Adhao, teaching and non-teaching staff, and enthusiastic student volunteers. The program was meticulously planned and coordinated under the guidance and leadership of Prof. M. N. Deokar (Program Officer, NSS), Prof. A. G. Titare (Assistant Program Officer, NSS), Prof. S. N. Patil (Ladies Program Officer, NSS) and Prof. V. N. Ghait (In-charge, Medicinal Plant Garden). In addition, Mr. and Mrs. Kinge played a vital role in supporting and facilitating the on-ground activities of plantation, ensuring the smooth and successful completion of the program. A variety of medicinal, ornamental, and native saplings were planted to enhance the campus environment and promote awareness about the long-term benefits of afforestation. The theme of the event resonated with meaningful messages like: "One tree is the support for thousands of dreams" and "Plant Trees, Save Lives", highlighting the significant role of trees in maintaining ecological balance, providing clean air, and supporting overall well-being.

Summary of Event	Retirement is a significant life stage that marks the end of an individual's active professional life. The need for retirement planning arises from the desire to maintain financial independence and a comfortable lifestyle even after the regular income stops. With increasing life expectancy and rising healthcare costs, preparing for retirement is essential to avoid dependence on others and to manage unforeseen financial needs. A key component of retirement planning is developing passive income sources. Passive income refers to earnings generated with minimal active effort. It ensures a continuous flow of money post-retirement, helping retirees meet daily expenses without relying solely on savings. Common sources of passive income include rental income from real estate, dividends from stocks, interest from fixed deposits, royalties from intellectual properties, and income from mutual fund investments. Investments play a crucial role in building a retirement corpus and generating passive income. There are several types of investment avenues to consider, each with varying risk and return levels. Fixed-income investments like Public Provident Fund (PPF), National Pension Scheme (NPS), and fixed deposits offer safety and stable returns. Equity investments such as stocks and equity mutual funds offer higher returns but come with greater risk. Real estate can generate rental income and long-term appreciation. Additionally, Systematic Investment Plans (SIPs) in mutual funds provide a disciplined way to accumulate wealth over time. In conclusion, early retirement planning, combined with diversified investments and passive income sources, is essential to lead a financially secure and stress-free post-retirement life.

Summary of Event	Objective The primary objective of the event was to raise awareness about Hepatitis among students and staff by conducting a Multiple Choice Question (MCQ) based General Knowledge Test. The initiative aimed to educate participants on the types, symptoms, prevention, and global impact of Hepatitis, in line with WHO's awareness campaign. Outcomes: • Participants gained factual knowledge about hepatitis and its public health impact. • Many became aware of the importance of vaccination and regular screening. • Enhanced interest in public health and disease prevention strategies. Event: On the occasion of World Hepatitis Day 2025, an MCQ-based General Awareness Test was conducted through Google form to enlighten participants about the importance of liver health and the prevention of hepatitis A, B, C, D, and E. The quiz consisted of 20 marks multiple-choice questions covering key facts such as: • Types and causes of Hepatitis • Modes of transmission • Prevention (vaccination, hygiene, etc.) • Global statistics and WHO initiatives • Symptoms and treatment options Google link: https://forms.gle/jmLB7Q91xGEb8JhJA The quiz was conducted in online mode and open to students, staff and general public. It aimed to promote proactive health behavior and reduce stigma related to hepatitis. Participation Certificates were emailed to all attendees by Certify'em. Conclusion: The awareness quiz successfully engaged participants in a meaningful and informative activity, contributing to the goal of "Hepatitis can't wait". The activity contributed to the observance of World Hepatitis Day 2025, supporting the worldwide effort to eliminate Hepatitis by 2030.

Summary of Event	With the inspiration of Hon'ble President of the Trust Shri. Mr. Yogendraji Gode sir and Hon'ble Secretary Tanvi Gode Madam and Under the guidance of the principal of the college Dr. Prashant Deshmukh sir. On 30th July 2025, in collaboration with IQAC Cell. Training and Placement cell of Dr. Rajendra Gode College of Pharmacy, Malkapur organized a one-day seminar on Career opportunities in Hospital Administration. The seminar, aimed at providing valuable insights into growing significance of hospital administration in the healthcare sector. The session began with a Preface delivered by Prof. R. R. Popat, who welcomed the guest speaker and emphasized the importance of understanding career opportunities in healthcare management. The lecture was conducted by the Chief Guest Mr Milind Gaikwad, Head Tread Business, Care CIIGMA Hospital, Chhatrapati Sambhajinagar. Mr Gaikwad highlighted the growing significance of hospital administration in the healthcare sector. He elaborated on diverse career opportunities in areas such as hospital operations, healthcare management, quality assurance, patient care coordination, medical records management, and healthcare consultancy. He also stressed the key skills required for success in this field, including leadership, communication, problem-solving, and adaptability. Through real-world examples, he explained how hospital administrators play a vital role in ensuring smooth operations, patient satisfaction, and maintaining healthcare standards. The lecture was highly interactive, and students actively engaged in the discussion, asking questions and seeking career guidance. The program concluded with a Vote of Thanks delivered by Prof. A. M. Rathi, who expressed gratitude towards the speaker for his valuable insights and appreciated the active participation of students.

Summary of Event	Malkapur, July 31, 2025 Under the guidance and inspiration of Hon. Shri Yogendraji Gode, President of Indira Multipurpose Education Society, and Hon. Secretary Ms. Tanvi Gode, and with the cooperation of Principal Dr. Prashant Deshmukh, the National Service Scheme (NSS) unit of Dr. Rajendra Gode College of Pharmacy, Malkapur, successfully organized a free medicine and first aid camp. This camp was held during the return journey of the Shri Sant Gajanan Maharaj Palkhi procession as it passed through Shegaon, where lakhs of devotees gather along the Khamgaon–Shegaon route for darshan. The camp aimed to serve these devotees by providing free over-the-counter medicines, first aid, and a short resting area. A total of 25 NSS volunteers participated enthusiastically in this initiative to instill a spirit of service among students. Yashodham Public School, Malkapur extended vital support by providing transport facilities, while the Annakuti Parivar from Khamgaon Road, Shegaon, contributed by arranging food and accommodation. The planning and execution of the camp were carried out excellently by Prof. Mangesh Deokar (NSS Program Officer), Prof. Mukesh Babhulkar (NSS Advisor), Prof. Mahesh Narkhede, Prof. Ananta Titre (NSS Program Officer), Prof. Ankush Maskar (Coordinator, Drug Information Center), along with Prof. Sakshi Patil and Prof. Shweta Rane. The camp also received valuable guidance from the college's Principal, Dr. Prashant Deshmukh. The selfless service of the students was highly appreciated by Hon. Shri Yogendraji Gode and Secretary Ms. Tanvi Gode. This initiative not only provided relief to the devotees but also reinforced a strong sense of social responsibility among the participating students.

Article Title : Green-Synthesized Hyaluronic Acid-Conjugated Fluorescent Graphene Quantum Dots for Bioimaging and Cancer Theranostics: Synthesis, Characterization, and Cytotoxicity Assessment

Abstract

Designing of fluorescent materials in biomedical sciences is gaining attention due to unique characteristics like imaging driven by diagnosis and treatment. The exploration of fluorescent materials from green sources with highlights its application arena in cancer theranostic gained significant attention of oncology researchers. Outwards to the bioimaging techniques, fluorescent graphene quantum dots (FGQDs) grasp a potential place in biomedical research. Additionally, FGQDs have tuneable surface characteristics with high fluorescence, high loading and permeation capability. The present investigation explored the green synthesis of FGQDs using star anise fruit as precursor followed by surface decorated hyaluronic acid (HA) to form conjugated HA - GQD. The advance spectral characterization was used to confirm the synthesis of FGQDs and HA-GQD. The emission at 338 nm with excitation at 576 nm promise strong fluorescence with quantum yield of

DRGCOPM FAMILY MEMBER

Welcome New Family member in DRGCOPM,

Prof. Bhavesh G. Mandwale

Prof. Bhavesh G. Mandwale, completed his M. Pharm from the Central University of Punjab, Bathinda in 2024 and His B. Pharm from R. C. Patel Institute of Pharmaceutical Education & Research, Shirpur in 2022. His academic interests lie in the design and synthesis of medicinal compounds, with a research focus on antidiabetic, anticancer, and antimicrobial agents. He has practical expertise in molecular modeling and medicinal chemistry, along with hands-on experience in compound synthesis and the use of advanced analytical instruments such as HPLC, GC-MS, NMR, FTIR, and UV-Vis spectrophotometry. Prof. Mandwale is dedicated to research-driven teaching and innovation in pharmaceutical sciences. Recently join as Assistant Professor (Chemistry Department) in DRGCOPM,

Prof. Karan S. Gayakwad

Prof. Karan S. Gayakwad completed both his Master of Pharmacy (M. Pharm) in Pharmaceutics in 2025 and Bachelor of Pharmacy (B. Pharm) from Dr. Rajendra Gode College of Pharmacy in 2023. His research interests include formulation development, nanoparticle-based drug delivery systems, and the use of carbon dots as innovative nano carriers for targeted drug delivery. He is proficient in various analytical and characterization techniques, including UV-Vis spectrophotometry, FTIR, and Differential Scanning Calorimetry (DSC). Prof. Gayakwad is committed to advancing pharmaceutical research through innovative formulation strategies, practical experimentation, and academic mentorship. Recently join as Lecturer in DRGCOPM,

**Mr. Gulabrao Borale**

Mr. Gulabrao Borale from Kolhi Gawali joined as Lab, Attendant in DRGCOPM.

**Mr. Pravin G. Ingle**

Mr. Pravin G. Ingle from Dhamangaon Badhe had earlier worked as an intern at Emcure, Pune and has recently joined DRGCOPM as a Lab Technician.

Member Left

**Prof. Priyanka S. Patil**

I am Prof. Priyanka Sanjay Patil, a dedicated academician with a passion for pharmaceutical sciences. I completed my B. Pharm from Dr. Rajendra Gode College of Pharmacy, Malkapur in 2021, and pursued my M. Pharm from Rajarshi Shahu College of Pharmacy, Buldhana, graduating in 2023. I began my teaching journey at Dr. Rajendra Gode College of Pharmacy, Malkapur, where I served as a faculty member from December 2023 to June 2025. My time at DRGCOPM was truly enriching — the institution offered me a platform to grow professionally and personally. It gave me the opportunity to share knowledge, engage with bright minds, and contribute meaningfully to student learning. I am currently not associated with any organization, and I am in the process of exploring new professional opportunities that align with my academic vision and passion for teaching.

**DR. RAJENDRA GODE COLLEGE
OF PHARMACY, MALKAPUR**

VOICE OF DRGCOPM

My four-year journey at Dr. Rajendra Gode College of Pharmacy, Malkapur was truly transformative. The campus offered a friendly, disciplined, and academically focused environment that supported learning and growth. With the guidance of experienced faculty and practical sessions in well-equipped labs, we gained strong theoretical and hands-on knowledge. These years were not just about earning a degree, but also about self-discovery, building friendships, and shaping a meaningful career.

**Rani Rajput
(2021-2025)**

Dr. Rajendra Gode College of Pharmacy, Malkapur is a place where students get strong knowledge about pharmacy through proper teaching. It gives importance to both theory and practical learning. The college creates a good environment that motivates students to study well and grow in their careers. It helps build a strong base for students to become successful pharmacists in the future.

**-Laxman Nevhal
(2015-2019)
Mylan**

Dr. Rajendra Gode College of Pharmacy, Malkapur provides students with a comprehensive education in pharmacy, emphasizing both theoretical foundations and hands-on practical experience. The college fosters a supportive learning environment that inspires students to excel academically and professionally, laying the groundwork for successful careers as pharmacists in industry, healthcare, research etc.

**Rakesh Kumar
(2011-2013)
Dr. Reddy's Lab.**

Dr. Rajendra Gode College of Pharmacy, Malkapur, formerly known as IBSS College of Pharmacy, achieved great success in the past decade. As I study in the years B.Pharm 2007-2011 and M.Pharm 2011-2013, the college has good infrastructure, but it is in the beginning phase of the college, but now it is a well-known institute with NAAC accreditation. The staff support and management support were great. I am very happy to see the progress of our institute.
