College Development Committee

Vision

To foster sustainable academic excellence, infrastructure development, and professional growth in the Pharmacy Institute by promoting quality education, research, innovation, and ethical practices aligned with societal and healthcare needs.

Mission

- To plan and support the holistic development of the Pharmacy Institute in accordance with regulatory bodies such as PCI and the affiliating university.
- To enhance academic standards, research culture, and industry interaction in pharmaceutical education.
- To ensure optimal utilization of resources for infrastructure, laboratories, and learning facilities.
- To promote student-centric initiatives, professional ethics, and community-oriented healthcare services.

Objectives

- To prepare and implement strategic plans for academic, infrastructural, and institutional development of the Pharmacy Institute.
- To support upgradation and maintenance of laboratories, library resources, and research facilities as per Pharmacy Council of India norms.
- To encourage faculty development programs, research activities, publications, and industry collaborations.
- To facilitate student development through skill enhancement programs, training, internships, and placement initiatives.
- To ensure compliance with quality standards and continuous improvement processes such as NAAC/NBA accreditation.
- To promote innovation, entrepreneurship, and continuing education in pharmaceutical sciences.
- To strengthen outreach activities, health awareness programs, and social responsibility initiatives related to pharmacy and healthcare.
