Objectives:

- Financial Oversight:** Ensure the proper management of the institute's financial resources.
- Budgeting:** Develop and monitor the annual budget to ensure alignment with the institute's goals and priorities.
- Resource Allocation:** Recommend the allocation of resources for various research and academic activities in line with institutional priorities.
- Transparency and Accountability:** Ensure transparent financial practices, providing accountability to stakeholders, including faculty, staff, students, and external regulators.
- Long-term Financial Strategy:** Develop strategies for the long-term financial stability of the institute, including endowment management and capital investments.
- Compliance and Risk Management:** Ensure adherence to financial regulations and mitigate financial risks.

Functions:

- Budget Preparation and Review:**
 - Prepare, review, and approve the annual operating budget for the institute.
 - Monitor actual expenses against the budget and suggest corrective actions if necessary.
- Financial Reporting:**
 - Ensure timely and accurate financial reports, including income statements, balance sheets, and cash flow statements.
 - Provide regular updates to the board or governing body regarding the financial status.
- Fundraising and Revenue Generation:**
 - Develop strategies for securing funding, including tuition fees, grants, external projects and external funding sources.
 - Recommend financial policies related to revenue generation, like fee structures and financial aid programs.

Date :

4. **Financial Policies and Procedures:**
 - Develop and recommend financial policies and procedures, including those related to procurement, purchasing, and financial management.
 - Ensure compliance with relevant laws and regulations, including tax laws and accreditation standards.
5. **Audit and Internal Controls:**
 - Review and recommend actions based on audits and external reviews of financial operations.
 - Implement internal controls to prevent financial mismanagement, fraud, and misuse of funds.
6. **Capital Projects:**
 - Review and approve plans for capital expenditures, such as new infrastructure, technology investments, or facility upgrades.
 - Recommend funding sources for major projects and monitor their financial progress.
7. **Financial Planning and Forecasting:**
 - Conduct long-term financial planning to ensure sustainability and growth.
 - Provide advice on cost-saving measures and financial strategies that align with the institute's goals.
8. **Risk Management:**
 - Identify financial risks and recommend strategies to mitigate them, including insurance policies, diversification of funding sources, or changes in investment strategy.
9. **Advisory Role:**
 - Provide advice to the governing body, management, and other departments on financial matters, offering recommendations for strategic decisions.
