## Governing Body

### **Vision:**

To excel the field of pharmaceutical education by inculcating moral values and developing high-quality pharma professionals

### **Mission:**

To adopt high-quality technical education and training methodologies to foster the spirit of research, innovation, entrepreneurship and contribute to the profession and society

### **Objective:**

1. To ensure effective governance and transparent administration for the growth of the institute.
2. To develop and implement academic policies that align with regulatory standards and global practices.
3. To support faculty and student development through training, workshops, and research opportunities.
4. To strengthen infrastructure, laboratories, and learning resources for quality education.
5. To encourage entrepreneurship, innovation, and professional leadership in pharmacy graduates.
6. To periodically review academic and administrative processes for continuous improvement.

### **Roles:**

- To formulate strategic policies for academic, research, and institutional development.
- To approve budgets, financial planning, and resource allocation.
- To monitor institutional performance and ensure quality assurance.
- To guide faculty and staff development initiatives.
- To establish collaborations with industry, healthcare, and research organizations.
- To safeguard the ethical standards and integrity of the institute.
