❖ Activity Reports

1. Career Opportunities in Hospital Administration – Seminar

Date: 30 July 2025 **Resource Person:** Mr. Milind Gaikwad

The Training and Placement Cell, in collaboration with IQAC, organized a one-day seminar on "Career Opportunities in Hospital Administration" at Dr. Rajendra Gode College of Pharmacy, Malkapur. The seminar aimed to create awareness about career prospects in hospital administration and healthcare management. The expert speaker highlighted various career opportunities, essential professional skills, and the growing importance of hospital administration in the healthcare sector. The interactive session provided valuable guidance to students and concluded with a vote of thanks.

2. Guest Lecture on Workflow in QA Department (Alumni Connect Series)

Date: 30 Sept 2025 **Resource Person:** Mr. Piyush Patil, Technical Expert, Fresenius Kabi India Pvt. Ltd., Pune (Alumnus)

The Training and Placement Cell organized a Guest Lecture on "Workflow in QA Department" under the Alumni Connect Series. The session was delivered by Mr. Piyush Patil, Technical Expert at Fresenius Kabi India Pvt. Ltd., Pune, an alumnus of the college. He shared practical insights into Quality Assurance processes, regulatory compliance, deviations, root cause analysis, and career opportunities in the pharmaceutical industry. The interactive session enhanced students' understanding of QA practices and motivated them towards professional growth.

3. Webinar on Career Opportunities in Pharmacovigilance

Date: 8 Nov 2025 **Resource Person:** Mr. Manohar Patil

The Training and Placement Cell organized a webinar on "Career Opportunities in Pharmacovigilance" during the academic year 2025–26. The session was conducted by Mr. Manohar Patil, who shared valuable insights into pharmacovigilance, drug safety, career opportunities, and industry expectations. The webinar provided students with practical guidance on skills required for corporate roles and encouraged them to explore career prospects in the pharmaceutical industry through an interactive question-and-answer session.

4. Seminar on Self-Analysis and Job Opportunities

Date: 11 Dec 2025 **Resource Person:** Resource person

The Training and Placement Cell organized a Seminar on Self-Analysis and Job Opportunities. The session focused on self-assessment, career planning, and employability skills for pharmacy students. The resource person highlighted various career opportunities in the pharmaceutical sector and emphasized essential skills such as communication, confidence, problem-solving, and continuous learning. The interactive session motivated students to identify their strengths and prepare effectively for their professional careers.

5. Get Your Job Ready – Career Development Seminar

Date: 15 Dec 2025 **Resource Person:** JivRx Pharma Solutions team

The Training and Placement Cell organized a "Get Your Job Ready" seminar for final-year pharmacy students. The session, conducted by JivRx Pharma Solutions, focused on job readiness, career opportunities, resume building, interview preparation, and industry expectations. Through practical guidance and interactive discussions, the program enhanced students' employability skills and prepared them for successful careers in the pharmaceutical industry.

6. Online Webinar on Career Opportunities in Formulation Development (Alumni Connect Series)

Date: 4 Jan 2026 **Resource Person:** Mr. Shrikrushna Patil, Formulation Scientist, Ajanta Pharma Ltd.

The Training and Placement Cell organized an online webinar on "Career Opportunities in Formulation Development" under the Alumni Connect Online Webinar Series. The session, delivered by Mr. Shrikrushna Patil, Formulation Scientist at Ajanta Pharma Ltd., provided valuable insights into formulation and development, dosage form design, product optimization, and career opportunities in pharmaceutical R&D. The interactive webinar enhanced students' understanding of formulation science and inspired them to build successful careers in the pharmaceutical industry.

7. Seminar on Career Opportunities in Pharma Sales and Marketing (Alumni Connect Series)

Date: 17 Jan 2026 **Resource Person:** Mr. Aditya Bhawar, Clinical Data Specialist, IQVIA Ltd., Mumbai

The Training and Placement Cell organized an online seminar on "Career Opportunities in Pharma Sales and Marketing" under the Alumni Connect Seminar Series. The session was delivered by Mr. Aditya Bhawar, Clinical Data Specialist at IQVIA Ltd., Mumbai, who shared valuable insights into Clinical Data Management, industry expectations, career opportunities, and essential professional skills. The interactive session enhanced students' awareness of career pathways in the pharmaceutical industry and motivated them to prepare for successful professional careers.

8. Webinar on Academic Aptitude and Industrial Requirements

Date: 13 Feb 2026 **Resource Person:** Dr. Rajesh Rane, Founder & Director, Sparshkem, Pune

The Training and Placement Cell organized an online webinar on "Academic Aptitude and Industrial Requirements." The session was delivered by Dr. Rajesh Rane, Founder and Director of Sparshkem, Pune, who shared valuable insights into pharmaceutical sales and marketing, industry expectations, and essential professional skills. The interactive session enhanced students' understanding of industry requirements and motivated them to develop the competencies needed for successful careers in the pharmaceutical sector.

9. Online Webinar on Computer Software Validation (Alumni Connect Series)

Date: 14 Feb 2026 **Resource Person:** Mr. Aniket Kalyankar, Validation Specialist II, TraceLink

The Training and Placement Cell organized an online webinar on "Computer Software Validation" under the Alumni Connect Online Webinar Series. The session was delivered by Mr. Aniket Kalyankar, Validation Specialist II at TraceLink, who shared valuable insights into Computer System Validation (CSV), regulatory compliance, validation lifecycle, and career opportunities in pharmaceutical IT. The interactive session enhanced students' understanding of software validation and its vital role in ensuring quality and compliance in the pharmaceutical industry.

10. Guest Lecture on Career Perspective for Pharma Students

Date: 28 Feb 2026 **Resource Person:** Mr. Rajiv Farkade, Manager – Human Resources, Indoco Remedies Ltd.

The Training and Placement Cell organized a Guest Lecture on "Career Perspective for Pharma Students." The session was delivered by Mr. Rajiv Farkade, Manager – Human Resources, Indoco Remedies Ltd., who shared valuable insights into recruitment processes, industry expectations, workplace ethics, and career opportunities in the pharmaceutical sector. The interactive lecture enhanced students' employability skills, industry awareness, and professional readiness, motivating them to pursue successful careers in pharmacy.

11. Seminar on Emerging IT Healthcare Career Opportunities for Pharmacy Graduates

Date: 11 Mar 2026 **Resource Person:** Mayur Gadkari

The Training and Placement Cell organized a seminar on "Emerging IT Healthcare Career Opportunities for Pharmacy Graduates" to create awareness about career opportunities in medical coding, clinical data management, pharmacovigilance, and clinical research. Industry experts shared practical insights into healthcare IT careers, industry expectations, and essential employability skills. The interactive session enhanced students' understanding of emerging career pathways and prepared them for professional opportunities in the pharmaceutical and healthcare sectors.

12. Mock Interview and Resume Building Session

Date: 13 Mar 2026 **Resource Person:** Training and Placement Cell

The Training and Placement Cell organized a Mock Interview and Resume Building Session. The session focused on enhancing students' interview skills, resume writing, communication, and professional confidence. Faculty members conducted mock interviews and provided personalized feedback to help students identify their strengths and areas for improvement. The interactive program equipped students with practical placement skills and improved their overall career readiness.

13. College to Corporate – 3-Day Training Session

Date: 15–17 Apr 2026 **Resource Person:** Akshay Bhalerao

The Training and Placement Cell successfully organized a 3-Day "College to Corporate" Training Session for final-year students. The program focused on enhancing professional communication, interview skills, resume building, corporate etiquette, and industry readiness. Through interactive sessions, mock assessments, and expert guidance, students gained practical knowledge, improved their employability skills, and developed the confidence required for a successful transition from academics to the corporate pharmaceutical industry.

14. Bioanalytical Area Training Session

Date: 15 Apr 2026 **Resource Person:** Training and Placement Cell

The Training and Placement Cell successfully organized a Bioanalytical Area Training Session for M.Pharm final-year students. The session provided valuable insights into bioanalysis, career opportunities, job roles, and industry expectations. Through expert guidance and interactive discussions, students enhanced their understanding of the bioanalytical sector, clarified career-related queries, and gained confidence to pursue opportunities in this growing field.

Campus Drive arranged by DRGCOPM

S.N.	Date of Drive	Organizations	Selected Students
1	17 Mar 2026	One Asia India Pvt. Ltd.	32 Students
2	09 Apr. 2026	Sunpharma Pharmaceuticals Industries Ltd.	37 Students
3	Walk-in	Macleods Pharmaceuticals	03 Students
4	07 July 2026	Glenmark Pharmaceuticals Ltd.	37 Students
5	25–26 July 2026	Advantmed India LLP	28 Students

Outcome and Impact

The activities conducted through the year significantly enhanced students' industry awareness, employability skills, and career readiness. Sessions led by alumni and industry experts gave students direct exposure to real-world expectations in Quality Assurance, Pharmacovigilance, Formulation Development, Regulatory Affairs, Sales and Marketing, and emerging healthcare IT domains. Practical training modules such as the Mock Interview, Resume Building Session, and the College to Corporate program improved students' interview performance and professional confidence, better preparing them for campus placements and higher studies.

Future Plan

- Expand the Alumni Connect Series with more sessions across diverse pharma domains.
- Organize additional campus recruitment drives with core and allied pharma companies.
- Introduce certificate-based skill development workshops (aptitude, GD/PI, technical writing).
- Strengthen tracking of placement outcomes and maintain a structured alumni-employment database.

Acknowledgement

The Training and Placement Cell express sincere gratitude to the Management, Principal, faculty coordinators, alumni, and all guest speakers and industry partners for their valuable support and contribution towards the successful conduct of these activities throughout the academic year.
